

# *Dear St. Paul,*

Draw, scribe, doodle, write. What would you like to express to St. Paul?

A monumental water tower in the Creative Enterprise Zone [CEZ] of St. Paul will be creatively repurposed by renowned Minnesota artist Karl Unnasch as a self-illuminated “lighthouse” celebrating the rejuvenation efforts underway in the area. The “lighthouse” will be illuminated with images and words from the community, based on the theme “Dear St. Paul”.
